

LOHANA COMMUNITY EAST LONDON

DATA COLLECTION SHEET

Dear Lohana members,

Please kindly take a few minutes to complete our data collection form below.

Members of the community this year have had issues with the entrance fees that were being charged at Navrati, The committee have taken this in to consideration and decided to try and offer discounted rates, in order to ensure Lohana members receive a loyalty/ community benefit. The committee aims to hold events that target all ages, including family events such as our upcoming Bhajan. In order to ensure events and activities are tailored to suit you and your family, as well as ensuring you are kept up to date with the latest community news and events, we require all your current details to update our database.
